WHEREAS, The freedom of the press has been one of the tenets of American beliefs; and

WHEREAS, Newspapers and other media publicly disseminating information have historically been active and often essential in protecting our people from excesses and improprieties whether by a private or governmental body; and

WHEREAS, To preserve freedom of the press and to protect media investigation and analyses in our country it is essential that newspapers and other media publicly disseminating information be protected from governmental review of their files and records or governmental harrassment where there is no reasonable basis for belief that the parties involved in the media have been guilty of any crime; and

WHEREAS, The right of the various media to be protected in the confidential nature of their investigations has been endangered by a recent decision of the United States Supreme Court to the effect that the Constitutional guarantees of freedom of the press do not protect the media from governmental search and that a warrant for such search can be issued even though the party involved is not presumed guilty of or involved in any crime; now, therefore,

Be It Resolved, That the City Council of the City of Chicago memorialize the Congress of the United States to review the requirements of our newspapers and other media of public dissemination of information to continue in investigation and analyses of current events with freedom from possible harrassing governmental searches and reviews, and enact legislation which would reestablish the principal of freedom of the press and would protect our newspapers and other media from such governmental searches.

Said switch track shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation. The grantee shall keep that portion of the public way in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

The grantee agrees to furnish the City of Chicago a surety bond in the sum of $10,000.00, said bond to be used to defray cost of removal of said structures and appliances at any time the City of Chicago determines the need for removal or to be used for any liability suits, judgments, damages or any costs resulting prior to or after expiration of the authority herein granted.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privilege herein granted the sum of Three Hundred and No/100 Dollars ($300.00) per annum, in advance, the first payment to be made as of June 24, 1978, and each succeeding payment on the same day and month annually thereafter. In case of the termination of the privilege herein granted or the grantee transfers title or vacates the premises, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall have become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further, renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and the permission and authority herein granted may be revoked by the Mayor, in his discretion, at any time without the consent of said grantee. Upon termination of the privileges herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation; and in the event of the failure, neglect or refusal of said grantee so to do, the City of Chicago will have the choice of either performing said work and charging the cost thereof to said grantee, or determining what the cost of said work shall be and billing the grantee for said cost. For the City of Chicago to recover from the surety and grantee under this section, it is not necessary that the City of Chicago first make said removal, relocation, alteration, repair, maintenance or restoration. The Commissioner of Streets and Sanitation is hereby authorized to determine what cost would be involved to perform said removal, relocation, alteration, repair, maintenance or restoration. Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Commissioner of Public Works and the City Comptroller, subject to approval as to form and legality of the Corporation Counsel are authorized to execute in behalf of the City of Chicago an agreement with Santa Maria, said agreement to be in substantially the following form:

This Agreement made this ..... day of ..... A.D. ....., between the City of Chicago, a municipal corporation of the State of Illinois and Tenant from the Public Building Commission of Chicago (hereinafter called "Landlord") and Santa Maria, a corporation organized and existing by virtue of the laws of the State of ..... (hereinafter called "Tenant").

WITNESSETH:

That Landlord, for and in consideration of the terms and conditions, both general and special, hereinafter contained and made on the part of Tenant, does hereby grant to Tenant for use only by Tenant, the privileges hereinafter described on premises at Navy Pier, Foot of Grand Avenue, Chicago, Illinois 60611, hereinafter called "Pier", a plat of said Pier being attached hereto.

This Agreement shall consist of two parts

Part I —General Conditions

Part II—Special Conditions numbered 1 to 5

All constituting the entire agreement between the parties and no warranties, inducements, considerations, promises or other references, shall be implied or impressed upon such agreement that are not set forth herein at length.

PART I—GENERAL CONDITIONS

Article I

This agreement shall be subject and subordinate to:

(a) Any existing or future Federal/State Statute or any existing or future lease or agreement between Landlord and the United States or the State of Illinois, or political subdivisions thereof, relative to the development, construction, operation or maintenance of the Pier, the execution of which has been or may be required as a condition precedent to the expenditure of Federal, State or other public funds for the development, construction, operation or maintenance of said Pier.

(b) The right of Landlord to further develop, improve, maintain, modify and repair Pier, the facilities therein and the roadways and approaches thereto, as it sees fit, regardless of the desires or views of the Tenant and without interference or hindrance by the Tenant.

Article II

The Tenant shall not, without prior approval of Landlord, assign or transfer this agreement nor any share, part or interest therein, nor any of the rights or privileges granted hereby, nor enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor unless otherwise expressly provided herein. Tenant further agrees that it shall not enter into any agreement of any nature, formal or informal, concerning other business activities at Pier, with any individual, partnership or corporation without prior approval of Landlord, it being understood that the only activity that Tenant may conduct directly or indirectly, alone or through others, on, upon or from said Pier and facilities located thereon, be they demised to the others or under the control of Landlord, is as authorized under the terms of this agreement.

In the event of the issuance of this right or privilege to more than one individual or other legal entity (or to any combination thereof), then and in that event, each and every obligation or undertaking hereinstated to be fulfilled or performed by the Tenant shall be the joint and several obligation of each such individual or other legal entity.

If Tenant is a corporation and if the control thereof changes at any time during the term hereof, then Landlord may, at its option, declare such change a breach of this agreement.

It is mutually understood and agreed that nothing contained in this agreement is intended, or shall be construed, as in any wise creating or establishing the relationship of co-partners or joint venturers between the parties hereto or as constituting the Tenant as the agent or representative of the Landlord for any purpose or in any manner whatsoever.

Article III

Tenant has examined the premises prior to, and as a condition precedent to, the execution hereof and is satisfied with the physical condition of said premises, and its taking possession thereof will be conclusive evidence of its receipt of said premises in a safe, sanitary and sightly condition and in good repair.

Article IV

Tenant shall not attach, affix, or permit to be attached or affixed, upon the premises, or if so attached or affixed, relocate, replace, alter or modify, without the consent in writing in each instance of the Commissioner of Public Works (hereinafter called "Commissioner") first had and obtained, any flags, placards, signs, poles, wires, aerials, antennae, improvements or fixtures. In connection therewith Commissioner may require submission of proposed designs, floor plans, construction plans, specifications and contract documents therefor and if then approved may incorporate all or part thereof within this agreement as attachments thereto.

Article V

Tenant, at the expense of Tenant, shall keep the premises in a safe, sanitary and sightly condition and good repair and shall restore and yield the same back to Landlord upon the termination of this agreement in such condition and repair, ordinary wear and tear excepted, and if said premises shall not be so kept by Tenant, Landlord may enter the premises (without such entering causing or constituting a termination of the privilege or an interference with the possession of said premises by Tenant) and do all things necessary to restore said premises to the condition herein required, charging the cost and expense thereof to Tenant and Tenant agrees to pay Landlord, in addition to the rent and charges hereby reserved, all such costs and expenses.

Article VI

Tenant covenants and agrees to keep said premises and improvements situated thereat free and clear of any and all liens in any way arising out of the use thereof by Tenant.

In addition to the rent and charges hereinafter outlined, Tenant shall pay all fees, charges, license fees and taxes of whatever nature, if necessary, as required by law or ordinance of the City of Chicago.

Tenant shall assume all risks incident to or in connection with the business to be conducted hereunder and shall be solely responsible for all accidents or injuries of whatever nature or kind to persons or property caused by its operations at said Pier and shall indemnify, defend and save harmless the Landlord, the Public Building Commission of Chicago, their authorized agents and representatives, from any penalties for violation of any law, ordinance or regulation affecting its operations, and from any and all claims, suits, losses, damages or injuries to persons or property of whatsoever kind or nature arising directly or indirectly out of the operation of such business, or resulting from the carelessness, negligence or improper conduct of the Landlord, Public Building Commission of Chicago, Tenant, or any of their agents or employees.

Neither landlord, nor the Public Building Commission of Chicago shall be liable to Tenant for damage to property of Tenant or any loss of revenues to Tenant resulting from their acts, omissions or neglect in the maintenance and operation of the Pier facilities.

Article VII

Tenant, at the expense of Tenant, shall keep in force, during the term of this agreement, insurance issued by responsible insurance companies, in forms, kinds and amounts as determined and directed by the Comptroller of the City of Chicago (hereinafter called "Comptroller") for the protection of Landlord and/or Tenant. Insurance requirements hereunder shall be subject to the sole determination of the Comptroller.

Said insurance may include, but need not to be limited to, insurance coverages commonly known as, or similar in kind to, Public Liability, Products, Liability, Property Damage, Fire and Extended Coverage, Workmen's Compensation, Scaffolding Act, and such other insurance coverage as deemed required in the sole determination of the Comptroller. Upon approval by said Comptroller of all insurance required, in the forms, kinds and amounts directed to be procured, Tenant shall deliver all policy originals or duplicate originals and endorsements thereto to the Comptroller for incorporation within this agreement as attached thereto. In any event, Tenant is not to commence to exercise any of the rights and privileges granted under this agreement until such time as all insurance directed and required to be furnished by Tenant is in full force and effect.

Tenant expressly understands and agrees that any insurance protection furnished by Tenant hereunder shall in no way limit its responsibility to indemnify and save harmless Landlord under the provisions of Article VI of this agreement.

Article VIII

In the event the premises or the building of which the premises are a part shall be damaged or destroyed by fire or other casualty, the same may be promptly repaired or rebuilt by Landlord at its expense as soon as funds are available but Landlord shall not be obligated to repair, rebuild, restore or

replace any fixtures, equipment, displays or other property installed by Tenant or others pursuant to this agreement.

Provided, however, that Landlord may elect, at its sole option, not to repair or reconstruct the premises or the building, of which the premises are a part, and upon written notice of such election from Landlord to Tenant the obligation of Tenant to pay rent shall cease and this agreement shall thereupon terminate.

Article IX

Landlord hereby grants to Tenant the right of access and ingress to and egress from the premises by Tenant and its employees, contractors, suppliers, servicemen, sublessees, guests, patrons and invitees; provided, that such rights of access, ingress and egress, are at all times exercised in conformance with the further provisions of this agreement and any and all regulations promulgated by Landlord or the Commissioner, or other lawful authority, for the care, operation, maintenance and protection of the Pier and the public.

Operations to be conducted by the Tenant under this agreement shall be done at the sole expense of the Tenant and shall be subject to general inspection by the Landlord to insure a continuing quality of services commensurate with the standards provided for in this agreement and to such other provisions of related agreements as may be pertinent as entered into between Landlord and others governing the use of and operations at the Pier.

Tenant does further covenant, promise and agree that said Tenant will not employ any person or persons in or about the premises or on the Pier who shall be objectionable to the Commissioner and if such persons shall be employed by Tenant, he, she, or they, shall be removed upon request of said Commissioner.

Tenant agrees to use its best efforts in every proper manner to maintain and develop the business conducted by it under this agreement and increase same and not to divert or cause, or allow, to be diverted, any business from Pier.

Article X

This agreement shall not and will not, nor shall any copy thereof, or any statement, paper or affidavit in any way or manner referring hereto, be filed in the office of the Recorder of Deeds of Cook County, Illinois, or in any other public office, by Tenant or anyone acting for Tenant and that if the same be so filed, this agreement and each and every provision hereof shall, at the option of Landlord, be and become absolutely null and void and Landlord may declare such filing a breach of this agreement.

Article XI

If tenant shall vacate or abandon the premises, or any part thereof, or permit the same to remain vacant or unoccupied, or in case of the nonpayment of the rent and charges reserved hereby, or any part thereof, or of the breach of any covenant in this agreement contained, Tenant's right to the possession of the premises thereupon shall terminate, with or without any notice or demand whatsoever, and the mere retention of possession thereafter by Tenant, shall constitute a forcible detainer of said premises, and if the Landlord so elects, but not otherwise, this agreement shall thereupon terminate and upon the termination of Tenant's right of possession, as aforesaid, whether this agreement be terminated or not, Tenant agrees to surrender possession of the premises immediately, without the receipt of any demand for rent, notice to quit or demand for possession of the premises whatsoever, and Tenant hereby grants to Landlord full and free license to enter into and upon said premises, or any part thereof, to take possession thereof without process of law and to expel and remove Tenant, or any other person who may be occupying the premises, or any part thereof and Landlord may use such force in and about expelling and removing Tenant and said other person as may reasonably be necessary and Landlord may repossess itself of the said premises as of its former estate, but said entry of said premises shall not constitute a trespass or forcible entry or detainer, nor shall it cause forfeiture of charges due by virtue hereof, nor a waiver of any covenant, agreement or promise in said agreement contained, to be performed by Tenant.

Tenant hereby waives all notice of any election made by Landlord under this agreement, demand for rent, notice to quit, demand for possession, and any and all notices and demands whatsoever, of any and every nature, which may or shall be required by any statute of this State relating to forcible entry and detainer, or to Landlord and Tenant, or any other statute, or by the common law during the terms of this agreement. The acceptance of rent, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach hereof by Tenant, or the giving or making of any notice or demand, whether according to any statutory provisions or not, or any act or series of acts, except an express written waiver, shall not be construed as a waiver of Landlord's right to act without notice or demand or of any other right hereby given Landlord, or as an election not to proceed under the provisions of this agreement.

If default be made in the payment of the rent, or other charges herein reserved, or of any installment thereof, as herein provided, Tenant does hereby irrevocable constitute any attorney of any Court of Record in this State, attorney for it and in its name, from time to time, to waive the issuance of process and service thereof, to waive trial by jury, to confess judgment in favor of Landlord and against Tenant for the amount of rent which may be then due, by virtue of the terms hereof, or of any extensions or renewals hereof, or by virtue of any holdover after the termination hereof, and which may be in default, as aforesaid, together with the costs of such proceedings and for said purposes to file in said cause his cognovit thereof, and to make an agreement in said cognovit, or elsewhere, waiving and releasing all errors which may intervene in any such proceeding and waiving and releasing all right of appeal and right to writ of error, and consenting to an immediate execution upon such judgment, and Tenant hereby confirms all that said attorney may lawfully do by virtue hereof. Landlord shall have a first lien on Tenant's interest hereunder, and on Tenant's property now or hereafter located in said premises, or elsewhere, to secure the payment of all moneys due hereunder, which lien may be foreclosed in equity and in case of any such foreclosure proceeding, a receiver shall be appointed to take possession of said premises and property and relet the premises under order of court.

The obligation of Tenant to pay the rent reserved hereby during the balance of the term hereof, or during any extension thereof, shall not be deemed to be waived, released or terminated, nor shall the right and power to confess judgment given in the preceding paragraph hereof be deemed to be waived or terminated by the service of any five-day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment, or any judgment for possession that may be rendered in such action, or any other act or acts resulting in the termination of Tenant's right to possession of the premises. The Landlord may collect and receive any rent due from Tenant and payment or receipts thereof shall not waive or affect any such notice, demand, suit or judgment, or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which Landlord may have by virtue hereof.

Tenant shall pay and discharge all costs, expenses and attorney's fees which shall be incurred and expended by Landlord in enforcing the covenants and agreements of this agreement, whether by the institution of litigation or in the taking advice of counsel, or otherwise.

The rights and remedies hereby created are cumulative and the use of one remedy shall not be taken to exclude or waive the right to the use of another.

Article XII

Tenant shall observe and comply with all laws, ordinance, rules and regulations of the United States Government, State of Illinois, County of Cook, City of Chicago and all agencies thereof which may be applicable to its operations or to the operation, management, maintenance or administration of the Pier, now in effect or hereafter promulgated.

Article XIII

Tenant, upon performing the covenants, conditions and agreements herein contained, shall and may peacefully have, hold and enjoy the premises and privileges hereinafter granted.

Article XIV

Landlord may furnish security service, heat, sanitary facilities and utilities as designated at outlets and at points as shown on attachment hereto. Tenant shall pay any and all charges and costs therefor whether or not metered or billed directly from Landlord upon estimates of such costs made solely by Landlord.

Article XV

To insure faithful performance of the covenants, conditions and agreements herein contained, Tenant, at the expense of Tenant shall, before exercising any rights or privileges accorded hereunder, furnish a bond in form, kind and amount as determined and directed solely by the Comptroller for incorporation within this agreement as attachment thereto.

Article XVI

Tenant, in performing under this contract, shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, creed, color, religion, age, sex or national origin, nor otherwise commit an unfair employment practice. Tenant will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, creed, color, religion, age, sex or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Tenant agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause. Tenant further agrees that this clause will be incorporated in all contracts entered into with suppliers of materials or services, contractors and subcontractors and all labor organizations, furnishing skilled, unskilled and craft union skilled labor, or who may perform any such labor or services in connection with this contract.

All the aldermen praised Mr. Hill for his accomplishments and devotion to duty. It was noted that during moments of stress, of which there were many, Mr. Hill remained calm and collected. It was also noted that he had been subject to much vilification and scorn which was totally unwarranted, that in the end he had been vindicated of any intent to do other than what was best for the community involved and the City. He was likened to Daniel Burnham, who also had been severely criticized for many innovative theories, and also like Mr. Burnham, Mr. Hill had made "no small plans". All offered their sincere congratulations on his new position and wished him well and good health.

He also expressed his appreciation to all for the assistance he had received, including the late Mayor Daley. He also thanked Mayor Bilandic, stating that what he had accomplished had been done with everyone's help. He admitted that he took some measure of pride in looking around the City for the many improvements that had been made. He also vowed that he was not going to the R.T.A. for a "free ride" and that he would be back "on the other side of the table" still seeking the support and assistance of the City Council. When he left the rostrum he received a standing ovation.

This Amendment is issued to cover the increases in cost involved in Articles IV, V, VI and VII and to revise Article XI. These increases are retroactive as of January 1978.

Article IV

High-Temperature Water

Based on May, 1978, study by C. F. Murphy Associates, which shows that the current cost of generating high-temperature water has increased since 1974, from $2.31 per million BTU to $6.14 per million BTU. Therefore, the annual charge is changed from $21,400.00 to $56,648.00 per annum.

The annual charge is changed from $8,400.00 to $10,600.00 per annum.

Based on May, 1978, study by C. F. Murphy Associates, which shows that the current cost of generating chilled water has increased since 1974, from .0274 per ton-hour to 0.0436 per ton-hour. Therefore, the annual charge is changed from $5,140.00 to $8,166.00 per annum.

Article XI of the Agreement DOT-FA70CE-5644 is amended as follows:

Article XI

Renegotiation

"The prices contained in this agreement may be renegotiated each year, prior to the issuance, for the first quarter, of a warrant for collection by the City of the expenses incurred in supplying high-temperature hot water and chilled cold water for the traffic control tower and base floor expansions. Such adjustment will not be made, however, of the annual costs detailed under Articles IV, V, VI and VII until documentation in support of any and all such adjustments is first forwarded to the Federal Aviation Administration, and subsequently acknowledged and accepted in writing by the Federal Aviation Administration."

As a result of the above increase by $42,474.00 the annual total cost is changed from $41,940.00 to $84,414.00.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Mayor be, and he is hereby authorized and directed to execute, the City Clerk to attest, the Commissioner of Public Works to approve, the City Comptroller to accept and the Corporation Counsel to approve as to form and legality, an Agreement between the City of Chicago and the Chicago and North Western Transportation Company, required for the construction of the North Clark Street Viaduct, said Agreement to be substantially in the following form:

AGREEMENT

This Agreement, made and entered into this ..... day of ....., 19...., by and between the City of Chicago, a municipal corporation of the State of Illinois, hereinafter referred to as the "City", and the Chicago and North Western Transportation Company, a Wisconsin corporation, hereinafter referred to as the "Railroad".

Whereas, it has been determined that the N. Clark Street Viaduct and approaches which were built in 1910 and pass over the tracks of the Railroad which are located in Carroll Avenue, a dedicated city street, are unsafe and inadequate to withstand the burden of present traffic conditions; and

Whereas, it has been determined that the N. Clark Street Viaduct should be replaced with a safe, modern structure designed to handle the present volume of vehicular traffic; and

Whereas, the City and the Railroad, being properly authorized, wish to avail themselves, where possible, of Federal-Aid Urban System funds and non-Federal funds provided by the State of Illinois to finance the construction of this project.

WITNESSETH:

Now, Therefore, in consideration of the premises and covenants and conditions hereinafter set forth, it is agreed by and between the parties hereto as follows:

1. The City will prepare all plans, specifications and estimates for the removal of the present N. Clark Street Viaduct and approaches and the replacement thereof

with a modern viaduct structure at its expense; and all such plans, specifications and estimates affecting the interest of the Railroad shall be subject to approval by the authorized representatives of the Railroad.

2. The City will take bids and award contracts for all construction work required for the viaduct removal and replacement.

3. The Railroad will realign or remove its respective tracks and equipment to conform to the new viaduct requirements and make provisions for temporary adjustments and interruptions to traffic during construction. The Railroad will also fabricate and erect the required rail supports for the tracks crossing the sewer in Clark Street.

4. Each party will provide the necessary construction engineering and inspection for carrying out its work as herein set forth, and the entire costs for such services shall be borne by the City.

5. The Railroad shall prepare plans and cost estimates of all track and related work necessitated by the project at the expense of the City, and all such plans and estimates shall be subject to approval by an authorized representative of the City.

6. The Railroad shall keep accurate and detailed accounts of the actual costs and expenses as incurred by them, or for their accounts, in the performance of the work they herein agree to perform. For the performance of work as outlined they may bill the City monthly for the costs and expenses incurred. These progressive invoices may be rendered on the basis of an estimated percentage of the work completed, and the City shall process ninety percent (90%) of each invoice within thirty (30) days after receipt of same. Upon completion of the work, the Railroad shall render to the City a detailed statement of the actual costs and expense as incurred by them or for their account. After the City's representatives have checked the progessive invoices and the final statement and they have agreed with the Railroad's representatives that the costs are reasonable and proper, insofar as they are able to ascertain, the City shall promptly reimburse the Railroad for ninety-five (95%) percent of the amount as agreed upon. Such reimbursements, however, are subject to Federal and State audits. After the Federal or State representatives have audited the expenses as incurred by the Railroad, including such items of expense as may have been suspended from previous payment, the City shall promptly reimburse the Railroad for the retained percentages and suspend items of expense, less the deduction of any item (or items) of expense as may be found by the Federal or State representatives as not being eligible for Federal reimbursement. If the total of the item (or items) of expense as may be found by the Federal or State representatives as not being eligible for Federal reimbursement exceeds the retained percentage plus any items of expense which may have been suspended, then the Railroad shall promptly reimburse the City for the overpayment.

7. It is understood that the project herein contemplated is to be financed from funds as appropriated by the Federal Government and expended under Federal Regulations. All agreements, plans, estimates, specifications, award of contracts, acceptance of work and procedure, in general, are subject to the Federal laws, rules, regulations, orders and approvals applying to it as a Federal project; and the City will reimburse the Railroad as hereinbefore provided, for only such items of work and expense, and in such amounts and forms as are proper and eligible for payment from Federal funds, and which have received approval by proper Federal authorities.

8. The Railroad shall furnish flagmen and other suitable personnel to the City's contractors for flagging protection during the viaduct project. The Railroad shall have control and direction of said personnel during the progress of the work, but the City shall require its contractors to assume the entire risk and responsibility for said flagmen or other personnel.

9. The City shall require its contractors to indemnify and save harmless the Railroad from and against any and all liability, damages, costs and expense for loss or damage to property whatsoever and injury to or death of persons whomsoever arising or growing, in whole or in part, out of or in connection with the performance of any of the work on the construction of said North Clark Street Viaduct, or the presence of any such property or persons on the premises of the Railroad at the site of said project.

10. The Contractor shall not commence work under this contract until he has obtained all insurance required under this section, in the amounts hereinafter specified, and such insurance has been approved by the Commissioner, nor shall the Contractor allow any subcontractor to commence work on his subcontract until all similar insurance required of the subcontractor has been so obtained and approved.

a. Railroads' Protective Public Liability and Property Damage Liability Insurance.

The Contractor, with respect to the operations he or any of his subcontractors perform, will be required to procure insurance of the following kinds and amounts in the name of the Chicago and North Western Transportation Company and to carry such insurance until completion and acceptance of the work by the Commissioner.

1) Public Liability Insurance including Automobile Liability Insurance, in an amount not less than $500,000 for injuries including wrongful death, to any one person, and subject to that limit for each person, a total amount of not less than $1,000,000 on account of any one accident or occurrence; and

2) Property Damage Insurance in an amount of not less than $500,000 for all damages arising out of injury to or destruction of property in any one accident or occurrence, and, subject to that limit for any one accident, a total amount of $1,000,000 for all damages arising out of injury to, or destruction of property during each year of the policy period.

3) Workmen's Compensation Insurance as required by law and Employer's Liability Insurance in the amount of $100,000 per occurrence.

The above mentioned policies for Public Liability and Property Damage Insurance shall be written so as to include Contingent Liability and Contingent Property Damage

Insurance to protect the contractor against claims arising from the operations of subcontractors. Any change in the insurance provided in accordance with this Section shall not be made until the Railroad has received ten (10) day's written notice thereof.

11. The Railroad agrees to waive any claim for its damages resulting from any changes of approach elevation which are caused by changes in minimum vertical clearances agreed to by the Railroad. The City shall indemnify and save harmless the Railroad from any and all costs, expense, loss or damage as a result of claims by the public or abutting landowners arising out of or connected with the viaduct project.

12. This agreement shall be binding upon and inure to the benefit to the parties hereto, their successors and/or assigns.

13. This agreement shall become effective only after its approval by the Illinois Department of Transportation and the Federal Highway Administration.

In Witness Whereof, the parties have caused this Agreement to be executed by their proper officers thereunto duly authorized the day and year first above written.

[Signature forms omitted for printing purposes]

SECTION 2. The City Clerk is directed to transmit two (2) certified copies of this ordinance to the Department of Transportation of the State of Illinois, through the District Engineer of District 1 of said Department of Transportation.

SECTION 3. This ordinance shall be in force and effect from and after its passage.

At the discretion of the Licensor this obligation shall include, but not be limited to, contribution toward the expense of long-term maintenance of the premises or facilities, the necessity for which accrued during the period of Licensee's use. The amount of expense to be borne by the Licensee shall be determined by prorating the total expense of the item of long-term maintenance on the basis of fractional use by the Licensee. This fractional part of the total expense shall be prorated further if the item of long-term maintenance did not accrue in its entirety during the Licensee's use. Upon a determination by the Licensor that the necessity exists for an expenditure of funds for maintenance, protection, preservation or repair, the Licensee shall pay to the Licensor its proportionate share, on demand.

Nothing contained herein, however, shall relieve the Licensee of liability with respect to any loss or damage to the premises, not fully compensated for by insurance, which results from willful misconduct, lack of good faith, or failure to exercise due diligence, on the part of the Licensee. All insurance required of the Licensee on the premises shall be for the protection of the Licensor and the Licensee against their respective risks and liabilities in connection with the premises. In the event the Licensee shall have effected any repair, rebuilding or replacement which the Licensee is required to effect pursuant to this paragraph, the Licensor shall direct payment to the Licensee of so much of the proceeds of any insurance carried by the Licensee and made available to the Government on account of loss of or damage to any item or part of the premises or facilities as may be necessary to enable the Licensee to effect such repair, rebuilding or replacement. i. The Licensee shall indemnify and save harmless the Government, its officers, agents, servants and employees from all liability under the Federal Tort Claims Act (62 Stat. 869, 982; 28 U.S.C. Sec 2671, 2680) or otherwise, for death or injury to all persons, or loss or damage to the property of all persons resulting from the use of the premises by the Licensee, and shall furnish the insurance specified in Item 9. This warranty shall not apply to commissions payable by the Licensee upon contracts or sales secured or made through bona fide established commercial or selling agencies maintained by the Licensee for the purpose of securing business.

m. In connection with the performance of work under this License, the Licensee agrees not to discriminate against any employee or applicant for employment because of race, religion, color, or national origin. The aforesaid provision shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Licensee agrees to post hereafter in conspicuous places available for employees and applicants for employment, notices to be provided by the Licensor setting forth the provisions of the nondiscrimination clause. The following is said resolution as adopted:

WHEREAS, Property tax assessments are of increasing concern to Chicago property owners, particularly to homeowners whose property tax assessments are increasing due to inflation and other factors, and to owners of marginally profitable apartment buildings; and

WHEREAS, Many property owners often do not understand their notice of assessed valuation and its relationship to the Assessor's estimate of their property's fair market value or its relationship to the taxes which they may pay on that assessed value; and

WHEREAS, Property owners often do not understand or are not aware of the process available to them for appealing their assessed valuation if they think it is excessive; and

WHEREAS, The extent to which housing can be conserved and rehabilitated depends to a great extent on the viability of investments in housing which are in turn affected by factors such as property tax assessments; and

WHEREAS, Data compiled by the Illinois Department of Local Government Affairs suggests that the present approach to valuing multi-family buildings has systematically resulted in the over-assessment of multi-family property in many parts of Chicago due to application of the cost-minus depreciation approach to assessment rather than an approach based on income and expense data for the property; and

WHEREAS, The community forum "TRUST" has recently concluded an extensive study, titled "Urban Neighborhoods: An Action Report on the Impact of Tax Assessment and Tax Delinquency Policies"

which recommends that the Cook County Assessor provide more information to property owners regarding Assessments and consider income and expense data in assessing multi-family residential properties; now, therefore,

Be It Resolved, That the Mayor and Members of the Chicago City Council, in meeting assembled this 13th day of September, 1978, do hereby urge the Cook County Assessor to include in the notice of assessed valuation the Assessor's estimate of the fair market value of the property, an estimate of the taxes which would be paid on this assessed valuation under current tax rates and an explanation of the right to appeal the assessed valuation; and

Be It Further Resolved, That the Cook County Assessor is urged to prepare public service announcements on the assessment appeals process and sponsor community seminars on assessments and appeals; and

Be It Further Resolved, That the Cook County assessor is urged to pursue the development of computer programs that make possible the integration of income and expense data into initial calculations of market value for all multi-family residential properties.

Report of the Special Sub-committee on Security and Passenger Safety of Chicago Transit Authority

The Committee on Local Transportation submitted the following report:

CHICAGO, September 7, 1978.

To the President and Members of the City Council:

Your Committee on Local Transportation, having had under consideration a report of the Special Sub-committee on Security and Safety of Chicago Transit Authority Passengers, appointed at a meeting of the Committee held March 7, 1978, begs leave to recommend that Your Honorable Body *Concur* in the recommendations contained in the report of the Special Sub-committee, which is transmitted herewith.

This recommendation was concurred in by 8 members of the Committee, with no dissenting vote.

Respectfully submitted,
(Signed) VITO MARZULLO,
Chairman.

The Special Sub-committee Report transmitted with the foregoing committee report reads as follows:

A Special Sub-committee of the Committee on Local Transportation met on June 12, 1978, to study the question of security and passenger safety on Chicago Transit Authority.

Serving on the Special Sub-committee were Alderman George J. Hagopian, Chairman, and members, Aldermen Edward M. Burke, John Madrzyk and Eugene Sawyer.

After studying various research reports, the Committee heard public testimony from CTA and city officials, community groups and labor unions.

Since that hearing the following actions have been taken to improve security on the CTA:

Emergency telephones are to be installed at all 140 rapid transit stations;

A force of 100 radio-equipped, uniformed transit security aides will be hired to patrol the CTA;

Off-duty police will patrol high-risk bus routes;

The size of the Police Department Mass Transit Unit has been increased as has the amount of time police will devote to boarding and riding CTA vehicles;

The Chicago Police Department is coordinating its efforts with those of 32 suburban police forces.

Based on information gathered during the June 12th hearing, the Special Sub-committee makes the following recommendations to supplement those activities:

1. Establish a special branch of the Circuit Court to handle misdemeanor charges related to Mass Transit Crime. The City Council should memorialize Chief Judge Boyle to establish this court.
2. The CTA should undertake an aggressive campaign to alert all citizens, CTA riders, CTA drivers, transportation officials and police that total cooperation is needed to improve security on the CTA.
3. The Committee should solicit an opinion from the Law Department on the legality of amending the Municipal Code to specifically prohibit eating, drinking and the playing of radios and phonographs on buses and trains.
4. The Committee should also seek an opinion on the advisability of adopting a provision making a crime to "jostle" on a transit vehicle

On motion of Alderman Marzullo the recommendation of the committee was *Concurred In,* by yeas and nays as follows:

Yeas—Aldermen Roti, Barnett, Kenner, Evans, Lathrop, Sawyer, Wilinski, Humes, Adduci, Vrdolyak, Huels, Kwak, Madrzyk, Burke, Jaksy, Barden, Shannon, Kellam, Kelley, Stewart, Stemberk, Lipinski, Rhodes, Marzullo, Zydlo, Ray, Washington, Cross, Hagopian, Keane, Gabinski, Mell, Frost, Laskowski, Aiello, Casey, Cullerton, Laurino, Gutstein, Pucinski, Natarus, Oberman, Simpson, Fifielski, Axelrod, Schulter, Volini, Saperstein, Stone—49.

Best Wishes Extended St. Anthony of Padua Italian Church on Occasion of its 75th Jubilee.

A proposed resolution reading as follows:

WHEREAS, St. Anthony of Padua Italian Church is in its seventy-fifth year of service to God, Country and the Italian community of Roseland on Chicago's far south side at E. Kensington and S. Prairie Avenues; and

WHEREAS, After long preparations for this joyous occasion began its celebration with the 1977 Christmas Eve Midnight Mass, followed thus far with many religious and social activities that brought capacity crowds. A Dinner Dance to mark this Jubilee will be held at the Martinique on the 15th of October, 1978, at which more than a thousand participants are expected; and

WHEREAS, At the turn of the century, there were about five hundred families of Italian ancestry living in the Roseland community and the newly arrived Italians wanted a church of their own where they could worship according to their customs and in their language. In 1903 a committee was formed to meet with Archbishop of Chicago Edward Quigley, who was sympathetic to their request and in June of 1903 assigned a young priest, Rev. Horatio D'Andrea to establish an Italian Parish in the area, thus a temporary chapel was established in a store front at No. 160 E. Kensington Avenue, where the first Mass was said on Sunday, June 19, 1903; later property was acquired at E. Kensington and S. Prairie Avenues to build a new church. Work began immediately and the cornerstone was dedicated on June 15, 1904. A new parish school and convent were built in 1914. The Sisters of St. Joseph of LaGrange were assigned to teach the children in 1914 and have been there ever since. Archbishop George Mundelein, in 1922, entrusted the Parish to the Scalabrini Fathers who are still serving its spiritual needs; and

WHEREAS, During its seventy-five years St. Anthony of Padua Italian Church has grown from a small chapel to one of the outstanding churches in all of the Archdiocese of Chicago, having a membership of about eight hundred and fifty families, and is presently being served by the Reverend Florian Girometta, Pastor since 1963. St. Anthony Parish now occupies almost one city block with a new church, school, convent, rectory and parking lot which is debt free. The Parish school under its Principal, Sister Mary Sharon, Sisters of St. Joseph of LaGrange, has 375 children and 14 lay teachers and is one of the finest schools in the Catholic Archdiocese of Chicago; now, therefore,

Be It Resolved, That the Mayor and the Members of the City Council of the City of Chicago, in a meeting assembled this 13th day of September, 1978, extend their best wishes on the occasion of St. Anthony of Padua Italian Church 75th Jubilee to Reverend Florian Girometta, Pastor, and to the parishioners; and

Be It Further Resolved, That a suitable copy of this resolution be presented to the Pastor, Reverend Florian Girometta.

Alderman Adduci moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the foregoing proposed resolution. The motion *Prevailed.*

On motion of Alderman Adduci the foregoing proposed resolution was *Adopted.*

Congratulations Extended St. Agnes Church Upon Its Centennial Anniversary.

A proposed resolution reading as follows:

WHEREAS, St. Agnes Church located at No. 2648 W. Pershing Road, is the oldest Roman Catholic Parish in Brighton Park; and

WHEREAS, St. Agnes Church is in its Centennial Year, founded in late 1878, had its first Mass celebrated on Christmas Day of 1878 in an abandoned powder mill building at No 3815 S. California Avenue; and

WHEREAS, St. Agnes' Centennial Anniversary will be highlighted with a Dinner Dance at the Martinique Restaurant in Evergreen Park on Saturday, September 30th and a Pontifical Mass will be celebrated on Sunday, December 10th; and

WHEREAS, The Centennial recalls a most colorful history of the predominantly Irish settlers who built their Church here and helped found the nostalgic community. The Parish roll perpetuates names of early laymen who later became outstanding civic leaders of Greater Chicago—to name a few—John McCaffery "the father of Brighton"; Thomas Kelly who rose to be President of The Metropolitan Sanitary District, after whom Kelly High School was named; Joseph Donnersberger who became President of the South Park Board and later became President of the Cook County Board of Commissioners; Daniel Ackerman who was a School Trustee and later an Alderman; John J. McKenna, a local author, poet, public servant and brick manufacturer; and Edward J. Kelly who became Mayor of the City of Chicago and served from 1933 to 1947. Kelly Park has been named in his honor; and

WHEREAS, The beginning of St. Agnes Parish dates from 1878 when a committee of four laymen visited the spiritual leader of the Chicago Diocese, the Reverend Bishop Thomas Foley, and petitioned him for a new church. He granted their request and appointed Rev. P. A. Egan to serve as Pastor. The Parish was named in honor of St. Agnes, a Roman Catholic maiden who in her fifteenth year was beheaded in the year 304 for the sole reason that she was a Christian; and

WHEREAS, The Irish migrated enmasse to the United States during the 1840's and 1850's and worked laboriously digging the Nation's early network of canals and railroads. When construction of the Illinois and Michigan Canal began in 1836 at the north boundary of Brighton it attracted John McCaffery whose residence, built in the 1860's, still stands at the northwest corner of W. 36th Street and S. Artesian Avenue; and

WHEREAS, The growth of Brighton area was so rapid that there was a dire need for a new church-school edifice. Construction began on October 18, 1883. At the time the Church was established it had a membership of about 120 families and on the 4th of February, 1884, the school opened with 138 students who were being taught by the Sisters of Mercy. In September of 1885 the Sisters of the Sacred Heart were assigned to teach at this school and the pupils numbered some 250; just before the turn of the Century in 1899 the Sisters of Providence came to teach at St. Agnes, and to provide adequate classrooms for the constant increase in number of children, the church-school building was remodeled to just a school; and

WHEREAS, In May of 1905, the cornerstone for the new Church was blessed and the first Mass was celebrated on Christmas Day of 1905; and

WHEREAS, The present Pastor, Reverend John L. Anderson, for the past nine years has served the needs of his faithful parishioners with devotion, fortifying their religious spirit, comforting the sick and bereaved, and inspiring the school children to excel; and in this historical Centennial Year the diligent Pastor of St. Agnes can look back with pride at the improvements made during his tenure, especially to the Church, with air-conditioning, carpeting, modern glass entrance doors, a public address system and marble altar; and

WHEREAS, After one hundred years the nostalgic Parish of St. Agnes continues to radiate a beacon of spiritual strength for the greater glory and honor of God. Few old timers remain who worried through its adolescence and now appreciate its maturity. May the colorful history of the Parish inspire and sustain them "in memory of our Golden Days lives the soul of the past that can provide guidance for the future"; now, therefore,

Be It Resolved, That the Mayor and the Members of the City Council of the City of Chicago, extend their best wishes to Reverend John L. Anderson, Pastor of St. Agnes Church, to his assistants and the parishioners on the occasion of their Centennial Jubilee; and

Be It Further Resolved, That a suitable copy of this resolution be presented to Reverend John L. Anderson, Pastor of St. Agnes Church.

FOR A HEROIC ACT OF LIFESAVING
THE CHICAGO MEDAL OF MERIT IS AWARDED TO
MICHAEL ROBINSON

CITATION—On the morning of October 3, 1978, as he approached the Clark Street Bridge over the Chicago River, Michael Robinson was attracted to commotion among a group gathered to watch the struggling figure of a man who had jumped off the bridge with suicidal intent.

Unhesitatingly throwing off his shoes, Robinson leaped off the bridge, swam quickly to the drowning man, William E. King, 33, of Akron, Ohio, and was able to keep the man's head above water until Chicago Fire Department members threw out a life preserver. With King in tow, Robinson then swam to some pilings, and both men were pulled from the river.

For his disregard of personal danger and conspicuous bravery, Michael Robinson, an engineer technician in the Department of Public Works, is awarded the Chicago Medal of Merit with deep appreciation of his rare heroism.

Mayor Bilandic introduced Mr. and Mrs. Robinson who were accorded a warm reception. The Mayor presented the Medal of Merit to Mr. Robinson and praised him for his bravery. He also invited Mr. Robinson to address the Council. Mr. Robinson thanked the Mayor and the Council for the Medal and he in turn presented a "T" shirt to the Mayor. Mrs. Robinson also thanked the Council for the honor accorded her husband.

The Mayor then called upon Alderman Sawyer who added his praise for Mr. Robinson's heroic deed and stated that the 6th Ward was extremely proud of their native son.

As Mr. and Mrs. Robinson left the podium they received a standing ovation.

and bearing interest on the unpaid principal installments at the rate of seven and one-eighth per cent (7-⅛%), payable February 1, 1979 and semi-annually thereafter on the first day of each February and August. Interest shall be computed on the basis of a year of 360 days from the date of the Bonds until maturity on the principal amounts from time to time remaining unpaid.

Payments of interest, and prepayments of the principal hereof, shall be noted on the Payment Record—Schedule "A" made a part of this Bond as provided in the Ordinance hereinafter identified pursuant to which the Bond is issued.

This Bond is one of a series of Bonds issued in the aggregate principal sum of $1,000,000 designated Industrial Revenue Bonds, Series 1978 (RTC Industries, Inc. Project) (the "Bonds") pursuant to the hereinafter described Enabling Ordinance and to an Ordinance duly adopted by the governing body of the Issuer (the "Ordinance") for the purpose of providing funds to finance the cost of acquiring and constructing land, buildings, equipment and improvements (such land, buildings, equipment, improvements and related property being hereinafter called the "Project") and paying expenses incidental thereto, to the end that the Issuer may be able to relieve conditions of unemployment and encourage the increase of industry within the City of Chicago, Illinois. The proceeds of the Bonds will be used by the Issuer to pay or reimburse RTC Industries, Inc., a corporation incorporated and existing under the laws of the State of Delaware (hereinafter called the "Company") for the costs of acquisition and construction of the Project, under the terms of a Lease Agreement dated as of August 1, 1978 (which agreement, as from time to time supplemented and amended, is hereinafter referred to as the "Agreement").

This Bond and the issue of which it is a part are secured by a pledge and assignment of revenues and receipts derived by the Issuer pursuant to the Agreement and a mortgage on the Project, as more fully described in the Ordinance. Reference is made to the Ordinance for a description of the provisions, among others, with respect to the nature and extent of the security, the rights, duties and obligations of the Issuer, the rights of the owners of the Bonds, and the terms on which the Bonds are or may be issued and to all the provisions of which the owner hereof by the acceptance of this Bond assents.

Upon written notice given by the Company on behalf of the Issuer the principal installments of the Bonds (or portions thereof in amounts not less than $25,000) are subject to prior redemption on August 1, 1981 and on any date thereafter in whole, or in part in the inverse order of their maturity at a redemption price of par plus accrued interest to the date fixed for redemption without premium, as provided in the Ordinance.

The principal of this Bond or such portion thereof designated for prior redemption will cease to bear interest on the specified redemption date, provided funds for prior redemption are on deposit at the place of payment at that time.

This Bond and the issue of which it is a part are issued pursuant to and in full compliance with the Constitution and laws of the State of Illinois, particularly Chapter 15.2 of the Municipal Code of the City of Chicago, as supplemented and amended (the "Enabling Ordinance"). This Bond and the obligation to pay interest thereon are limited obligations of the Issuer, secured by a mortgage and payable solely out of the revenues and receipts derived by the Issuer from the Agreement and otherwise as provided in the Ordinance and Agreement. The Bond and the obligation to pay interest thereon shall not be deemed to constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision thereof, or a charge against their general taxing powers, within the meaning of any constitutional or statutory provision of the State of Illinois, but shall be secured by a mortgage and payable solely from the revenues and receipts derived by the Issuer from the Agreement. Pursuant to the provisions of the Agreement, payments sufficient for the prompt payment when due of the principal of and interest on this Bond are to be paid by the Company to the Bank for the account of the Issuer and deposited in a special account created by the Issuer and designated "City of Chicago, Illinois, Bond Fund (RTC Industries, Inc. Project)", and all revenues and receipts under the Agreement have been duly pledged and assigned to the Bank for that purpose, under the Ordinance to secure payment of such principal installments and interest.

In certain events, on the conditions, in the manner and with the effect set forth in the Ordinance, the principal of this Bond may become or may be declared due and payable before the stated maturity thereof, together with interest accrued thereon.

Modifications, alterations or amendments of the provisions of the Ordinance may be made only to the extent and in the circumstances permitted by the Ordinance.

It Is Hereby Certified, Recited and Declared that all acts, conditions and things required by the Constitution and laws of Illinois to happen, exist and be performed precedent to and in the issuance of this Bond have happened, exist and have been performed in due time, form and manner as required by law.

The completion of the Project and payment of all costs and expenses incident thereto shall be evidenced by the filing with the Issuer and the Bank of a certificate of the Authorized Lessee Representative required by Section 4.4 of the Agreement. Any moneys thereafter remaining in the Construction Fund shall be applied in accordance with Section 4.3 of the Agreement.

Acquisition of Project and Payment of Amounts Under the Agreement

SECTION 6. It is the declared intention of the Issuer to acquire the Project, to authorize the disbursement of the proceeds of the Bonds in order to finance the acquisition, construction and installation of the Project, and to lease or sell the Project to the Company under and pursuant to the Agreement in substantially the form which has been presented to and is hereby approved by the governing body of the Issuer and which is now on file in the official records of the Issuer.

The Mayor is hereby authorized to execute and acknowledge said Agreement for and on behalf of the Issuer, and the City Clerk is hereby authorized to attest same and to affix thereto the corporate seal of the Issuer.

Said Agreement and the revenues and receipts thereof, including all moneys received under its terms and conditions, are to be sufficient to pay the principal installments of and interest on the Bonds hereby authorized and are hereby pledged and ordered paid into the Bond Fund. The Agreement provides that the Company shall remit the required rent payments thereunder directly to the Bank for the account of the Issuer for deposit in said Bond Fund and such provision is hereby expressly approved.

Revenues: Bond Fund

SECTION 7. The Bonds and all payments required of the Issuer hereunder are not general obligations of the Issuer but are special and limited obligations secured by a mortgage and payable by the Issuer solely and only out of the revenues and receipts derived from the Agreement as provided herein.

There is hereby created by the Issuer and ordered established with the Bank, as depositary, a special fund to be designated "City of Chicago, Illinois, Bond Fund (RTC Industries, Inc. Project)" (herein sometimes referred to as the "Bond Fund"), which shall be used to pay the principal installments of and the interest on the Bonds.

There shall be deposited into the Bond Fund, as and when received, (a) a sum equal to the accrued interest paid by the purchasers of the Bonds; (b) any amount remaining in the Construction Fund to the extent provided in Section 4.3 of the Agreement; (c) all prepayments specified in Article X of the Agreement; (d) all rental payments and other amounts paid by the Company pursuant to Section 5.3 of the Agreement; and (e) all other moneys received by the Bank under and pursuant to any of the provisions of the Agreement. The Bank is authorized and directed to apply amounts available therefor in the Bond Fund to the payment when due of the principal installments of and interest on the Bonds.

The Issuer covenants and agrees that should there be a default under the Agreement, the Issuer shall fully cooperate with the Bank and with the owners of the Bonds to the end of fully protecting the rights and security of such owners. Nothing herein shall be construed as requiring the Issuer to operate the Project or to use any funds or revenues from any source other than funds and revenues derived from the Agreement.

Any amounts remaining in the Bond Fund, after payment in full of the principal installments of and interest on the Bonds (or provision for payment thereof as provided in this Ordinance) and the charges and expenses of the Bank, shall be paid to the Company upon the expiration or sooner termination of the term of the Agreement as provided herein and in Section 11.4 of the Agreement.

Assignment and Mortgage

SECTION 8. As security for the due and punctual payment of the principal installments of and interest on the Bonds hereby authorized, the Issuer hereby assigns and pledges to the Bank all revenues and receipts derived by the Issuer pursuant to the Agreement (except any payment made pursuant to Section 7.5 of the Agreement relating to indemnification of the Issuer by the Company) and all rights and remedies of the Issuer under the Agreement to enforce payment thereof including a security interest in the Project, and as evidence of such assignment, pledge, and security interest and of the agreement of the Bank to accept its responsibilities with respect to the Bond Fund created pursuant to Section 7 hereof, the Mayor is hereby authorized to execute for and on behalf of the Issuer, the Assignment, and the City Clerk is hereby authorized to attest the same and to affix thereto the corporate seal of the Issuer, and the Mayor and City Clerk are authorized and directed to cause the Assignment to be executed by the Bank, with the Assignment to be in substantially the form which has been presented to and is hereby approved by the governing body of the Issuer and which is now on file in the official records of the Issuer.

Any such investment shall be held by or under control of the Bank and shall be deemed at all times a part of the Construction Fund and the interest accruing thereon and any profit realized from such investments shall be credited to such fund, and any loss resulting from such investments shall be charged to such fund, which loss shall be an obligation of the Company as provided in the Agreement.

As and when any amount invested pursuant to this Section may be needed for disbursement, the Company may direct the Bank to cause a sufficient amount of the investments to be sold and reduced to cash to the credit of such funds regardless of the loss on such liquidation.

With respect to Section 103(c) of the Code, the Company has made certain certifications and representations to the Issuer in Section 4.9 of the Agreement, which certifications and representations by this reference are incorporated herein and made a part hereof and the governing body of the Issuer, acting in reliance on such certifications and representations, adopts and ratifies such certifications and representations and hereby covenants with the purchaser and the owners of the Bonds that so long as any principal installment of the Bonds remains unpaid, the governing body of the Issuer will not take or authorize the taking of any action which will cause the Bonds to be classified as "arbitrage bonds" within the meaning of Section 103(c) of the Code and any lawful regulations promulgated or proposed thereunder, including Section 1.103-13 and Section 1.103-14 of the Income Tax Regulations (26 CFR Part 1) as the same presently exist, or may from time to time hereafter be amended, supplemented or revised.
